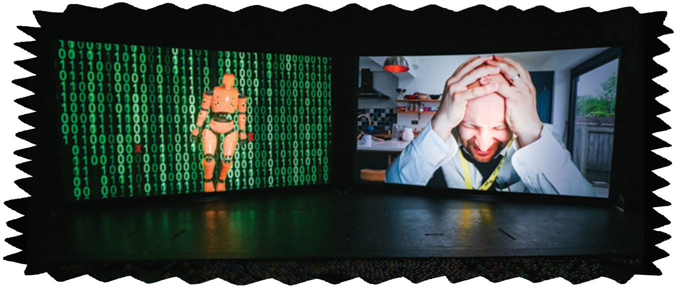
the_crash.test

Mae **the_crash.test**, sy'n stori Frankenstein ar gyfer ein hoes ni, yn olwg dywyll, chwareus ar ein perthynas â thechnoleg, sy'n cynnwys pypedwaith cipio symudiad, tafluniad ar raddfa fawr, cyfansoddiad gwreiddiol a chast cynhwysol o berfformwyr ar y llwyfan a thrwy gyswllt fideo, i gynulleidfaoedd wyneb-yn-wyneb ac ar-lein.



A Frankenstein tale for our age, **the_crash.test** is a darkly playful take on our relationship with technology, incorporating motion capture puppetry, large scale projection, original composition, with an inclusive cast of performers on stage and via video link, for audiences both in person and online.

Crossings

Perfformiad dawns byr chwareus a barddol sy'n archwilio themâu byd-eang mudo a pherthyn. Mae'r ddeuawd yn dilyn llwyddiant rhyngwladol 'Elevator', a goreograffwyd gan Jessie Brett.

A playful and poetic dance short exploring the global themes of migration and belonging. This duet follows the international success of 'Elevator', choreographed by Jessie Brett.

Hijinx
Grumpy Unicorns

Mae Grumpy Unicorns yn hunanesboniadol; yr hud sy'n gysylltiedig â darganfod bod uncyrn yn bodoli go iawn (!), a'r canlyniad i'r ddynoliaeth am beidio â'u cymryd nhw o ddifrif.

Grumpy Unicorns is what it says on the tin; the magic of discovering unicorns are in fact real (!), and humanity's consequence for failing to take them seriously.

Hijinx
The Astronauts

Mewn gwisg ofod lawn, mae criw o ofodwyr rhyfedd yn cyraedd planed newydd, ac yn gweld nad ydyn nhw ar eu pennau eu hunain. Chwe anturiaethwr mentrus yn ceisio deall y byd newydd rhyfedd maen nhw wedi glanio ynddo.

Wearing full space suits, a crew of mysterious astronauts arrive on a new planet, only to find that they are not alone. Six intrepid explorers try to understand the strange new world they've found themselves in.

Rock Cliché

Yn Rock Cliché, mae Rocky a Dave yn chwarae gyda'ch synhwyrau drwy gyfrwng y gitâr aer. A'r drymiau aer. A'r allweddell aer. Rock on!

In Rock Cliché, Rocky and Dave play with your senses through the medium of air guitar. And air drums. And air keyboard. Rock on!

Solidarity of Hope - I see you

Trwy gelf weledol, perfformio, a seinwedd, mae *Solidarity of Hope – I see you* yn berfformiad celf, sain a digidol byw, amlddisgyblaethol sy'n rhoi artistiaid anabl proffesiynol yng nghanol y llwyfan i fynegi heriau a gobeithion y presennol. Bydd y perfformiad wedi'i seilio ar y syniad bod unigolion anabl ac agored i niwed "ddim eisiau cael eu symud ymaith" a'u bod nhw bellach yn cysylltu, fel carfan rymusol, i rannu eu straeon am oroesi'n gorfforol ac yn seicolegol. Trwy'r amryw heriau maen nhw'n eu hwynebu, bydd y perfformiad yn y pen draw yn dathlu'r cryfderau helaeth y mae aelodau'r gydweithfa'n eu defnyddio i oroesi a chynnal eu hymdeimlad o obaith.

Through visual art, performance, and a sound scape *Solidarity of Hope – I see you* is a multi-disciplinary live art, sound, and digital performance that places professional disabled artists centre stage to express the challenges and hopes of the moment. Underpinning the performance will be the notion that disabled and vulnerable individuals "do not wish to be removed" and are now connecting, as an empowering force, to share their stories of physical and psychological survival. Through the many challenges they encounter, the performance will ultimately celebrate the abundant strengths that members of the collective draw upon to survive and retain their sense of hope.
